

MRS. FORTUNETELLER

Text von Ilse Zacharias

Dear Mrs. Fortune-teller
read your tarot cards for me
dear Mrs. Fortune-teller
can you tell me what you see
'xcuse me Mrs Fortune-teller
I'm a sceptic more or less
But dear Mrs Fortune-teller
I'm in trouble I confess

Refrain:
Fortune-teller would you please
find my girl for me!
She left me long time ago
tell me, where is she?
All I want is just to know
where my girl may be
Wonder if your cards will show
some reality

Do your cards, dear fortune-teller
know my love one's whereabouts?
You see, I'm a desperate fellow
I reveal my hopes and doubts
If she's happier without me
My word! I won't interfere
But if she still thinks about me
I'll do anything to see-her!

Refrain:

I don't want to know if I
will live long or soon will die
If I will be poor or rich
bother it! I don't care which
(Where's my girl? I miss her so!
This is all I want to know)

Refrain:
